REAL SOLUTIONS GREATER OUTCOMES LASTING IMPACT

OUR SOLUTIONS

Purpose-Built for Real-World Impact

Lexintis™

Governed AI for the Business of Law

- Streamline legal workflows
- Drive revenue operations
- Ensure compliance and risk management
- Unify knowledge across systems
- Secure, enterprise-ready execution

Voxentis™

Intelligent Voice Agents for Business Workflows

- Call + Scheduling + Reminders
- Customer engagement
- Human handoff when needed
- Natural, human-like conversations
- Integrates with your systems
- Always on. Always learning.

CRMPro+™

AI Intelligence for CRM Teams

- Works with major CRM platforms (Salesforce, Microsoft, HubSpot and more)
- AI-powered insights & automation
- Faster adoption and higher ROI
- Unify customer data and processes
- Empower your teams with intelligence

Custom / Build Your Own

Tailored AI solutions, built around your workflows, people and goals.

- Design for your unique use case
- Integrate with your existing tools
- Scalable and secure architecture
- Expert guidance from concept to production
- Built for real business outcomes

THE LUMAY ADVANTAGE

More Than Technology. A Partner for What's Next.

- **End-to-End Execution** — From strategy to scale, we make it real.
- **Domain + AI Expertise** — Deep industry knowledge, real outcomes.
- **Platform Agnostic** — Works with your tools and ecosystem.
- **Responsible & Secure AI** — Built on trust, privacy, and governance.
- **Human-in-the-Loop** — People where it matters, always.
- **Compound Value** — Build, iterate, scale, and deliver greater value over time.

NGOs & Nonprofits Exclusive Program

Special pricing and tailored support for eligible organizations — because greater impact starts with greater access.

1% Community Giveback

dedicate 1% of revenue to education and upskilling for a more inclusive AI future.

THE AGENTIC FACTORY

From Possibility to Production — Faster.

Discover → Define your goals, use cases and success metrics

Design → Architect agents, RAG, and workflows

Build → Rapid, secure deployment

Scale → Measure, optimize, and grow.

THE CORE ENGINE

A Reusable, Governed Foundation That Powers All LuMay Solutions
